## It's Coming Home!

The World Cup's in the bag, surely! Or maybe not, depending on how the Columbia game's gone! Anyway, wowzers, this summer is actually living up to predictions. It's still hot!!! Stifling so at times, so just to be all mature, I've put the NHS guide for Tips for Coping in Hot Weather later on. Hope it helps to cool you down!

Anyway, how have you all been?! June was fairly quiet in the village, well, until the end of the month when everything kicked off big style! First we had the rather wonderful Fun Day, which despite a few late let-downs was a huge success. Lots of villagers turning out in the glorious sunshine for a full day of entertainment! Well done to all the organisers!

A few days later, there was the opening of the school's Foundation Stage unit, with entertainment from Magic Martin, which was again, really well attended in the sunshine!

Moving into July, we're expecting great things from the Queen Tribute Band, Monarchy, who are playing up at the hall on Saturday 14th. Let's hope for a right regal performance, hoho!

And that's that really! Stay cool, drink lots of water and don't complain that it's too hot...we'll soon be treated to torrential rain...the night's are drawing in you know!

Until next time...

Cheers...

The Editor

## Holy Trinity Church Yeoford

For Thy Kingdom Come this year a prayer tree started at Messy Church in May was moved into the church. Young and old wrote prayers onto paper leaves a hung onto the tree, the prayers were then offered at a Taize service held just before Pentecost.

We celebrated our Patronal Festival on Trinity Sunday, the church was decorated with lovely flowers and we had cake following the service.

Songs of praise will be held on 29th July at 5pm followed by drinks and nibbles. If you would like to chose a hymn a list will be left in church to make a request.

Messy Church is cancelled in July but there will be a craft table at Yeoford Fun Day on 23rd June.

At the time of writing this we have been enjoying a lovely long, for this country, spell of very fine weather with the prospect of more to come. This is very good news as we have the opening of our new Foundation Stage Unit, The Squirrels, with entertainment from the acclaimed 'Magic Martin' and our Sports Day over the coming days. We look forward to telling you more in the next issue!

The children in Hedgehog Class have been having a lot of fun as they start to make their own Aquarium, complete with shark! Don't look behind you!! As you can see the ticket office is complete and we're looking forward to the Giant Squid, tanks and cafe shortly. Not only is it great fun but they've been learning lots about our underwater world!

Our Year 6 children visited Tiverton Youth Centre to take part in Junior Life Skills, organised by Devon and Cornwall Police. The children had life-saving information given to them in a fun and practical way from: Devon and Cornwall Police, Devon and Somerset Fire and Rescue Service, Royal Lifesaving, Western Power and BT. They really enjoyed the hands on experience and will now be more aware of possible dangers and how to help others.

As well as the many additional activities, the children have been involved with the other schools with orienteering and athletics at QE Academy in Crediton and thank you to all the staff and students at QE who made this all possible. We also had a football and netball tournament with our fellow Woodleigh Schools of Cheriton Bishop and Tedburn St Mary giving the Year 5 and 6 children the opportunity to meet up with their friends from the residential. We did manage to fit in some lessons too!

## Tips for coping in hot weather

Shut windows and pull down the shades when it is hotter outside. You can open the windows for ventilation when it is cooler.

Avoid the heat: stay out of the sun and don't go out between 11am and 3pm (the hottest part of the day) if you're vulnerable to the effects of heat.

Keep rooms cool by using shades or reflective material outside the windows. If this isn't possible, use light-coloured curtains and keep them closed (metallic blinds and dark curtains can make the room hotter).

Have cool baths or showers, and splash yourself with cool water.

Drink cold drinks regularly, such as water and diluted fruit juice. Avoid excess alcohol, caffeine (tea, coffee and cola) or drinks high in sugar.

Listen to alerts on the radio, TV and social media about keeping cool.

Plan ahead to make sure you have enough supplies, such as food, water and any medications you need.

Identify the coolest room in the house so you know where to go to keep cool.

Wear loose, cool clothing, and a hat and sunglasses if you go outdoors.

Check up on friends, relatives and neighbours who may be less able to look after themselves.
