Editorial

The nights are drawing in...

Chestnuts roasting on an open fire, jingle bells, leaves everywhere, rain, more rain, snow, darkness, the never-ending darkness...ah, stop! The longest day may have waved merrily over the horizon, but it's most definitely still summer, so keep on smiling, dose up on antihistamines and enjoy the good weather, which will be on its way!

Before we take a look at June in the village, a cursory nod back to May, where the final money raised figure for Yeo Rocks was a staggering £2,001.21 which was split between the Trussell Trust and Crediton Food Bank, well done all, we will be doing it again next year!

June saw various Jubilee Celebrations going on, including a well attended tea party up at the hall, not that many actually sat inside the hall as it was such a glorious day, but anyway, burgers, sausages and picnics were enjoyed by many attendees, supplemented by copious amounts of refreshments to keep hydration levels up obviously!

Not a lot else going on, but moving on into October, we have a date for Yeo!Cider, which will be on Saturday 8th October and hopefully back to normal.

Apart from that, enjoy the summer and enjoy your holidays if you manage to get away...anyone for tennis?

Cheers...

Thank you to all those joined us for our Jubilee Cream Tea and commemorative tree planting on Tuesday afternoon. The PTA provided a delicious tea. Parish Councillor, Nick Yarnold, helped the children to plant a Crab Apple tree and fix a plaque donated by CHPC. This was our contribution towards the Queen's Green Canopy.

If anyone has a child coming up to the age of 3, or is 3 already, do please give us a call on 01363 84234. We would be happy to talk through joining our fantastic Foundation Stage Unit which is open from Monday to Thursday weekly. We now also have a breakfast club from 8am and successful after-school club that runs until 5.30pm.

Please contact us if you require details on this.

Once again, we would like to take this opportunity to wish everyone in our community well!

CREDITON HAMLETS PARISH COUNCIL

At the June Parish Council meeting Cllr Yarnold raised a concern about trees overhanging the footpath near The Oaks on Station Road. The trees are the responsibility of DCC and have not been trimmed back for several years. The Clerk was asked to report the issue to DCC. Cllr Stevens reported that the standard of repair works recently completed at Neopardy bridge is poor on the left hand side. The Clerk will inform DCC of councillors' concerns. Cllr Yarnold reported that the Queen's Green Canopy Tree (funded by the Parish Council) would be planted at Yeoford School on Tuesday 7th June, with the planting being followed by a cream tea.

If you would like to read the full minutes of the June Parish Council meeting they are on the PC website. Please contact one of your councillors or Rachel Hodder, the Parish Clerk (clerk@creditonhamlets.org.uk or **01363 85523**), if there is something you would like to have discussed at the next Council meeting. Members of public are very welcome to attend any meeting and speak during the public session. Meeting details and contact information for Councillors are on the Parish Council website (www.creditonhamlets.org.uk)

THE ART OF BUSINESS

With BIPC Devon

Supporting Devon's Early Stage Creative Artists

New FREE 4 week course to help Creatives build their business

The Business and Intellectual Property Centre in Devon (BIPC) has worked with experienced artists and experts to create a new FREE course designed to help early stage creatives to develop their business.

The 4 week Art of Business course starts on Monday 4th July and can be accessed both online and in person. Local Artists will be sharing their knowledge and experience, through interactive sessions at Exeter and Barnstaple Libraries, and online.

The Art of Business Course will incorporate business skills for those working with:

- Written Word
- Photography
- Film-Making
- Music
- Painting & Sculpture

The programme aims to develop the business skills to support an artist in creating a career from their creativity. Our skills-based workshops include marketing, branding, social media training, and web design. Alongside the events and workshops, there will be networking events for creatives to meet other like-minded individuals.

BIPC Devon Manager Richard Love said: We have some great Colleges in Devon, with many excellent courses for art students, as well as thriving arts and creative communities all over Devon. We wanted to work with colleges to reach early-stage creatives as well as those looking for a career change. We have worked with local successful artists and experts, to create a programme covering key business skills and gives attendees a flavour of what it is really like to make a living as an artist, and what that entails.

BIPC Devon's ART of Business Course runs throughout July and features weekly webinars and online workshops, interactive sessions, networking opportunities and 1-1 support. Attendees will grow their business skills and learn how to find their niche, build an audience, grow a career as an artist, and find inspiration from the creatives delivering the course. The material will be recorded so participants can review it at their own pace. There will also be opportunities to join up with existing creative communities for networking sessions.

The course is free to any resident of Devon and more information is available at:

THE DUCK AT YEOFORD

Finally, the Pub-up-Shop is nearly ready to open!!

To start, we have stocked it mostly with non perishable items although once fully open we will increase the stock and have a fridge with dairy items and cold drinks. At present we still require 24 hours for fresh meat, fish, fruit and veg.

Unfortunately a couple of weeks ago, two young girls decided to steal some confectionery items from the shop. It was approaching 11pm and dark so maybe they thought it would go unnoticed. As we have cameras around the pub and also in the shop we have very good images of them both. I thinks it's fair to say, this disappoints us both greatly.

Lets hope July brings some good weather and we can enjoy some sunny evenings in the garden and under The Duck Shed.

Please note we will be closed on Friday 8th, Saturday 9th and Sunday 10th July.

Sandra Grigg our treasurer for the past thirty-eight years planted a Horse Chestnut tree, kindly provided by Michael and Sandy Hall, to celebrate the queen's platinum jubilee. Lewis said a prayer and we sang the national anthem and toasted the queen with sparkling wine.

We now have new and much more comfortable chairs in church a much-needed addition.

PLEASE READ: AIR AMBULANCE

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

Thank you all for your cooperation.
