Editorial

And so, we move into Autumn...

...it's going to get leafy! Well, it was a good Summer if you like the sun, not so great if you don't, so I'll leave it at that...

So, August, I hope it was good for you and if you managed to get away to wherever, I hope you had a suitably great time! Back in the village, not a lot was going on, apart from the arrival of the Black Bins, which are seemingly proving to be a bit controversial for some, not so for others. Anyway, once Mid Devon come up with a new convoluted timetable, consisting of a weekly food waste collection, alternate black box and garden waste collections and three-weekly black bin collections, I'll slap it on the back of a later issue. I'm sure it'll make perfect sense.

Anyway, things are happening in the village! September sees the Rotary Club of Crediton Boniface holding another Will Blake Band gig at the hall on the 24th. Moving onto October, Yeo!Cider is back on the 8th and there is also talk of an 80s Night being held up at the hall, hopefully on 17th November.

And that's that, apart from to say, if you're in the vicinity of Dawlish on the 15th October, Yeo Division will be playing the Marine Tavern between 8-9pm, their first gig out of the village...it's almost a tour!

Take care everyone and wrap up, the heating can't be switched on yet...

Cheers...

County Councillor Newsletter—August

If like me you are a keen follower of national and international news I'm sure you'll be equally downcast as me with the state of the world. It seems that all news is bad news. We live in a world of war, drought, flooding and economic chaos. And within this theatre of negative news we have to fit in our local events. Here in Devon we will soon be turning off our hosepipes, not washing out cars and generally doing our best to conserve water supplies. At least at the moment we are spending very little on heating our homes but we have to cook and keep clean.

On a county level I am sorry to report that the ruling group in Devon County Council has decided to "suspend" the payments of the locality fund. This is a bitter blow to all of those of us who use this money in our communities to help various groups to realise interesting and community-based projects. We do not know how long the "suspension" will last. Many councillors have protested.

Following my discovery of the huge compensation payments made to motorists I called for a report from the relevant Cabinet member concerning the numerous potholes and other road defects in our area. It seems that there are 711 reported potholes on the Devon county council system. This does not seem many and so I asked where the extra 11 came from because as I'm sure that the 700 are he around Crediton and the outlying villages. Amid some laughter there was no serious response. I also pressed the Cabinet member to encourage the Devon County Council Conservative Administration to put pressure on central government to come up with a sensible financial package to help counties to put right the terrible condition of the roads. It is difficult to believe that in certain areas we are not a Third World country. I was assured that negotiations are in progress and my request for an update was granted. As soon as I know more I will let you all know but don't hold your breath!

Parish Review Next Stage Consultation Goes Live

Mid Devon Communities are being invited to have their say on a further round of consultation about parishes within the district.

In November 2021 Mid Devon District Council began a Parish Review and sought the opinions of our communities and businesses in the district. Following this a set of draft proposals have been drawn up and we are now seeking views on the plans.

The Parish Review (previously known as a Community Governance Review) reviews towns and parishes in Mid Devon and will be considering a number of options. These include:

- creating, merging, altering or abolishing parishes
- changing the name of parishes
- the electoral arrangements for parishes (number of councillors, warding)
- grouping parishes under a common parish council or de-grouping parishes.

The review has a number of aims including changing boundaries as a result of new buildings and growth, removing any existing anomalies in boundaries, as well as improving local democracy.

The first stage of consultation, which was undertaken in the winter of 2021, has allowed officers to draw up a number of proposals which can be read in detail online.

Any changes as a result of the review would come into effect for the 2023 all-out elections.

We would now welcome comments from individuals and organisations about the proposals.

Please use the [comment form](#) to share your views. You can also call 01884 255255, email parishreview@middevon.gov.uk or write to Parish Review, Electoral Services, Phoenix House, Phoenix Lane, Tiverton EX16 6PP.

This second stage of consultation runs from **23 August until 23 October 2022**.

Holy Trinity Church Yeoford

It was a great privilege to represent Exeter Dioceses at a garden party at Bishopthorpe Palace hosted by Archbishop of York and Mrs Cotterill, in celebration of 100 years of the Central Readers Council.

Archbishop Cotterill welcomed us and introduced the new president of the Council, a Reader this time rather than a Bishop. We were well looked after by Mrs Cotterill.

We had tea and a look around the palace and grounds and ended with Evensong where Archbishop Cotterill preached. A wonderful sermon and a wonderful afternoon.

Many thanks to Lewis who helped with our Songs of Praise at the end of July.

We had a lovely service celebrating nature in Gods wonderful world made more special because we were in the garden.

The café will restart on 12th September but Lunch Club and Messy church will start again in October.

There will be no service in Yeoford on 25th of September when I hope our congregation in Yeoford will join Crediton for Lewis first service after his ordination on 24th September.

PLEASE READ: AIR AMBULANCE

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

Thank you all for your cooperation.
