Editorial

Oh good, it's got slightly warmer...

Which hopefully means the pavements and roads will be safer than the latter stages of January when they can only be described as utterly treacherous.

And that simple observation leads neatly onto the hot topic of the poor state of the roads, especially the potholes, in and around Yeoford. Cllr Nick Yarnold (nyarnold@creditonhamlets.org.uk) has asked how many people in the village have experienced punctures and tracking issues, which he would happily follow up with DCC Highways Dept.

So, January, a month traditionally known for very little happening as everyone takes a breather after Christmas and the New Year exertions, and that was very much the case here in Yeoford.

And to be honest there's not a lot going on in February either, but moving on, there's Yeofest 2023 on Saturday 11th March, Yeo Rocks on Saturday 13th May and Darren McGarvey on 8th July, where tickets are selling fast.

In other news, there's some important information regarding the upcoming elections, where voters will need Photo ID and it's easier to get for some than others, so please look at the info inside.

And finally the Duck's Pub-Up-Shop has relaunched with everything listed on the back here. Open when the Pub is open, just ring through or pop in and get the items, saving you an annoying trip into Crediton or wherever, hurrah!

Cheers...

Proposed Bus Shelter

Concerned particularly about children on rainy days catching the school bus from Yeoford and staying wet while at school set Cllr Nick Yarnold thinking about somewhere for them to shelter on wet days.

After much investigation for a site and style, checking costs and seeking funding, the result is a simple see-through shelter with a perching bench seat and no lighting.

Cllr Yarnold said that the cost was estimated at £4,000, so long as volunteers could do the ground work and installation.

He added: "This would not be possible without the part funding by Yeoford Funday and Crediton Hamlets Parish Council.

"I appreciate that this particular bus shelter maybe not be to everybody's liking, but it's to do with monies available, unless there is other funding available with in the community.

"But more importantly it's about having shelter for the community. The bus shelter will be sited opposite Yeoford Meadows, thanks to a kind gesture from a local farmer.

"If any of the Yeoford Village community have any questions or views, please do not hesitate to contact me on nyarnold@creditonhamlets.org.uk"

The bus shelter proposed for Yeoford.

Darren MCGARVEY THE SOCIAL DISTANCE BETWEEN US LIVE

If all the best people are in all the best jobs, why is Britain such a f*cking bin fire? Orwell prize-winning author, BAFTA nominated broadcaster and celebrated hip-hop artist Darren McGarvey poses this awkward question and more in a new show centred around his recent book, *The Social Distance Between Us*. With its unpredictable ask-me-anything format, audience members shape the performance and no two nights are the same. McGarvey's 60-minute high-wire act confronts the scandal of class-inequality with passion, humility and an optimal dose of humour.

Migratory Toads Crossing

Now we are in February it is to be hoped we will get some warmer evenings for the time of year, with a little mist or drizzle, which will bring out the toads as they migrate to their spawning grounds. Winstode Hill and the steep banks either side are quite a challenge for these amphibians which need a little help to get across to the lake on the north side.

If drivers using this road see the "Toad Crossing" signs up could they find another way round or at least drive considerately during the evening darkness as rescue parties will be out ushering them on their way.

Thanking everyone for showing consideration to these threatened creatures.

PLEASE READ: AIR AMBULANCE

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

Thank you all for your cooperation.
