Editorial

Wow, just wow, it's like a proper Summer and everything...

Well, this elongated bit of sun is certainly not going amiss, even the Bank Holiday isn't a wash-up, what madness is this?!

So, last month, I let you know about the joy of hitting a pothole, the subsequent fixing of said hole and then me slapping in a claim for damages. And I have an update...the claim was rejected. Turns out the first person to sustain damage is basically the (unpaid volunteer) inspector who notifies the problem for DCC to come and fix. I naturally feel very pleased with my charitable contribution. I don't want to come across anti-charity, but completely understand if individuals want to prevent these freebie inspections and you can do this by using www.devon.gov.uk/roadsandtransport/report-a-problem/report-a-pothole/.

Anyway, May has been wonderful weather-wise aided and abetted by a load of public holidays, which was welcome and the Coronation Celebrations were well attended at the Church and Hall.

June sees even more Takeaway Nights happening down at the Duck and staying on the subject of our pub, they've been nominated for Best Destination Pub by Muddy Stilettos, so look out for details inside as to how to vote for them...you have until June 4th...

And that's that, enjoy June, it really is the best month...

Cheers...

THE DUCK AT YEOFORD

This month we have updated the Pub-up-Shop list, we have added some items and also had to remove various products as they were unfortunately not selling. We are now also offering a 'Pie of the Week' as well as the very popular sausage rolls and scotch eggs.

We have also decided to offer takeaways on Wednesday and Thursday evenings, all information can be found on the website.

In the May edition of the Village Voice we mentioned we were in the nomination round for Best Destination Pub in Devon with Muddy Stilettos, we would like to thank all those who nominated us and delighted to say we are now in the final.

We would obviously love to win and so would be very grateful for any votes. Please go to <https://devon.muddystilettos.co.uk/vote/> or scan the QR code below. Closing date Sunday 4th June.

On Friday 7th July we are holding a fundraising dinner and raffle for the CREDITON U15's rugby team, Zachary and his team mates will be serving in the restaurant (or trying to, but more likely to be driving Jane and myself round the bend!) and selling raffle tickets. Some great food and drink hampers to be won.

County Councillor Newsletter—May

With striking nurses, doctors, teachers and railway workers it feels as if our society is undergoing a social earthquake! This coupled with international news of wars in several countries makes listening to the news a rather depressing pastime. So let's get on with things Devon!

There was some consternation when we heard that Go Devon Bus routes 315/345/377 were being discontinued after June. I contacted the portfolio holder in Devon County and was assured that officers are in negotiations with other bus companies and the routes will be maintained. We also learnt that Devon County has been awarded a £14 million grant from central government for improvement of rural buses over the next three years. The county had asked for £100 million! A £2 single journey fare will continue until June and there are negotiations to see if it can be extended. Let us hope so because it has been very popular.

I was at a meeting which touched on the library service. One thing we all know is that libraries are just not places for borrowing books, they have a big social impact. One sad comment was that four mobile libraries in the county are very old vehicles which often break down and cost a lot to repair. You will not be surprised when I tell you that officers are looking at scrapping the service which could save half a million pounds. I proposed that the money saved should be reallocated to those libraries whose volunteers carry out a home visiting service. We have an excellent one in Crediton.

Two weeks ago I met a group of children and young adult carers. I was amazed to learn that in Devon we have 2,500 children or young adult carers. They look after parents, other family members or siblings. Some of them have very responsible roles and are in charge of medication and even giving a parent a daily injection. They are well trained but they did say that they didn't always feel supported and so we are looking into this because they form an essential part of keeping people safe.

I have been fighting the usual battle of potholes and can confirm that £50k has been set aside for the road surface on the A3072 in Bow! Quite how far that the amount of money will go I do not know, locals think not very far. I've also had to report faulty street lights in Bow and Copplestone and been pleased to be told they will fixed as soon as possible. It is probably not quite as pressing in the summer but winter is just four or five months away and they are very important for local people's safety.

I attended a very interesting and complicated meeting about the use of technology by the NHS. We were shown how it will make appointments much easier and give patients a much better access to the service. We were all concerned however about those people who do not have Internet, computers or who might struggle to cope with apps and things of that sort.

We are now taking bookings for our Pre-school 'Little Bumblebees' for September 2023.

We welcome children, from the term after their 3rd birthday, to thrive in our nurturing, stimulating and nature rich environment.

Led by an experienced teaching team delivering the Early Years Foundation Stage curriculum, our goal is to ensure all the children develop a love of learning; increased confidence & independence; an inquisitive & creative mind; a good understanding of core skills; some good friends and some fantastic memories!

We are open during school term-time and children can use their 15 or 30 hours funding with us between 8.45am & 3.30pm, Monday to Friday. Extra hours are available at £4.50 per hour including wrap-around care from 8:00 - 8:45am and 3:30 - 4.30 or 5:30pm.

TIK TOC

Many of us suffer from apathy at some stage in our lives, usually increasing in middle age but also prevalent in adolescence. A loss of interest in relation to social or emotional situations, a lack of feeling, interest or any particular concern about a specific situation or life in general. How often do you hear phrases such as 'it's not worth bothering with that, nothing ever changes', 'I don't bother voting, they're all the same', 'I've tried that before but they take no notice', etc, etc.

Apathy is seen by most as being a state of mind, indifference, disinterest, lethargy, lack of motivation or enthusiasm, dispassion, mostly it is but it can be a sign of a more sinister cause.

A 'can do' attitude is often all it takes to break out. It is not too late to make a difference, if every one of us were to take the trouble to take up a cause that we were once passionate about or complain about the thing that most annoys us, whether it be potholes as written about by my colleague in last months issue or any one of hundreds of worthy issues, change may occur.

Doing nothing is not a choice it is apathy, the best way to avoid apathy is to re-engage.

There is no reaction without action.

PLEASE READ: AIR AMBULANCE

An appeal to all our villagers

If you, your children or anyone you know plays in the recreation ground please always check with them that they have returned the goals to the edge of the field.

This is because the Air Ambulance **CANNOT LAND** if the goals are in the middle of the field.

If you pass the recreation ground or see anybody playing with the goals in the centre, could you please remind them (politely) that they should be returned to the edge after use, or move them back if you find them abandoned like this.

CREDITON HAMLETS PARISH COUNCIL

The election of Councillors was not contested at the elections on the 4th of May. As all existing Councillors had re-applied Councillors remain as before the election. Names and contact details for all Parish Councillors are on the Parish Council website.

The 15th of May was a busy night for the Parish Council, starting with the Annual Parish Meeting at which Cllr Stevens summarised the previous year's activities. Cllr Stevens thanked all Parish Councillors, Cllr Coren (MDDC), Cllr Letch (DCC) and the Parish Clerk for their work and support over the past year. He also welcomed Cllr Binks and Cllr Chenore to the meeting, which was their first after recent election to MDDC, both representing the Yeo Ward.

At the Annual Parish Council meeting (which is the Parish Council equivalent of an AGM) Cllr Stevens was re-elected as Chair and Cllr Parker as Vice-Chair.

At the May Parish Council meeting, one member of the public expressed concern about the rollout of Airband in the Parish. There have been lengthy delays and rumours that the rollout may not go ahead as originally expected. Parishioners in outlying areas are depending on Airband to bring them an up to speed broadband connection. Councillors had also heard concerns from others. The Parish Clerk will obtain up to date information from Airband and also Connecting Devon & Somerset and report back. Airband had been invited to the meeting but did not send a representative.

Another member of the public explained that she has volunteered for the MDDC Wildlife Warden Scheme and undertaken training. She described activities to date and will put information in the Village Voice and on the Yeoford Hub.

Councillors are waiting to hear from DCC Highways regarding the proposed bus shelter in the village. Coronation celebrations in Yeoford and Woodland Head were successful and well attended. Councillor Yarnold thanked Dee Elston, Dee Hawkins, Carol Price, Nikki and Sarah Comont for their help with organising the events and thanked everyone else who assisted or attended.

The next PC meeting will start at 7pm on Monday 5th June at the Boniface Centre in Crediton. Please contact one of your Councillors or Rachel Hodder, the Parish Clerk (clerk@creditonhamlets.org.uk or 01363 85523), if there is something you would like to have discussed at the June meeting. Members of public are very welcome to attend any meeting and speak during the public session. Meeting details and contact information for Councillors are on the Parish Council website (www.creditonhamlets.org.uk).

If you would like to read the full minutes of the Maymeetings they are on the PC website.
